The LifeHouse program is a **FREE** and confidential housing option for homeless pregnant women. Services include:

- Individual care plan (SNAP, WIC, TANF, etc.)
- Safe housing while pregnant and through the first year of the child's birth
- Care for one additional toddler under the age of 5
- Prenatal and postnatal education
- Maternity and baby items
- Parenting and life skills training
- Health and nutrition information
- Referrals to medical and community resources
- On-going support and education during baby's first year
- Other services dependent on specific needs
